4. I wish to state the following in support of my Candidature:

I have been a member of Club Ryde Ex since 2011 and as a child and teenager, I was a member of the Junior Sports, playing netball for the Ryde Robbins. I have been a local my entire life, making me well connected in the community. I am one of the younger Board Members, yet come with a wealth of knowledge. I am a Corporate (Mergers and Acquisitions) Legal Executive Assistant. I liaise with high profile ASX listed companies on a daily basis and have exposure to Corporate Governance and ASIC regulations. I have qualifications in hospitality, I own an events company and regularly use my event management skills to assist Club Ryde Ex. I have strong leadership skills, from my time as School Captain in high school and have captained many sporting teams. My Grandfather was a Returned Serviceman and Club Ryde Ex was his watering hole.

I became a Director of Club Ryde Ex in March 2021 and navigated the Club through a very difficult trading period, due to Covid19. Throughout this time and despite the closure of the Club, I am very proud to say, that we still posted a profit for each year, during these very testing times, something the Club hadn't seen for over 22 years. I sat on the Constitution sub-committee in 2022/2023 recommending updates to the Constitution which were accepted by Members. I assist with the Social Media platforms for Club Ryde Ex and help Shirley with events and promotions. I am also involved with the building committee, ensuring the best outcome for Club Ryde Ex and its Members.

During my time on the Board, I have played an integral part in many initiatives and events. I am very proud of what the Board has achieved. A standout for me was bringing back the ANZAC Day and the Dawn Service events in 2021. Each year, these events have grown and grown, bringing community spirit back to the Club. In 2022/2023, we launched the Greens @ Club Ryde Ex. A family and dog friendly space, giving the community another offering. We are very fortunate to have the Hunters Hill Theatre Group in residence and Anytime Fitness, again, tapping into different parts of our community and providing further sources of income for the Club. I play an integral part in our major raffles, sourcing, buying and setting up our displays.

Being of the younger generation, I have been able to tap into a younger demographic through social media, marketing and promotions. I attend events and working bees at Club Ryde Ex. You will often see me taking photos and filming for our social pages! I have represented the Club at external functions and love a raffle! I genuinely love being a part of Club Six and supporting local athletes through the Ryde Sports Foundation. We have recently signed sponsorships with a young individual and a sports club, watch this space for more details!

I still have so much more to offer Club Ryde Ex, especially with regards to the development, which we have been working extremely hard on, to deliver a precinct our Members can enjoy for generations to come. You should vote for me, because I bring proven expertise, I am of good judgment, I bring strategic thinking, listen to our Members, have a strong commitment and genuine passion for Club Ryde Ex. I will contribute fresh ideas while working collaboratively to ensure the Board serves the best interests of our Members.
